

Climbing Club at the University of Illinois at Urbana-Champaign
AGREEMENT TO PARTICIPATE AND RELEASE FORM

I am aware participation and membership in the Climbing Club including, but not limited to rock climbing, mountaineering, and associated activities or any other activity organized by or including any members of the Climbing Club or using equipment available through the Climbing Club can be dangerous, involving MANY RISKS OF INJURY. I have voluntarily chosen to participate in the Climbing Club at UIUC knowing that it brings risks of death, injury, damage or loss to myself and my property, from such events including, but not limited to, falls, rock falls, avalanches, lightning, river crossings, hypothermia, frostbite, heat or cold injuries, bites and stings, and accidents traveling to and from activity sites. I understand that equipment may fail, and such failure could contribute to my injury or death. My participation in these activities is completely voluntary and is undertaken in spite of the hazards and risks involved. I understand that the dangers and risks of participation and membership include, but are not limited to death, serious neck and spinal injuries which may result in complete or partial paralysis, brain damage, serious injury to virtually all internal organs, serious injury to virtually all bones, joints, ligaments, muscles, tendons, and other aspects of the muscular skeletal system and serious injury or impairment to other aspects of my body, general health, and well-being. I understand that the dangers and risks of participation and membership in the Climbing Club may result not only in serious injury, but in a serious impairment of my future abilities to earn a living, to engage in other business, social and recreational activities and generally to enjoy life. Because of the dangers of participation and membership, I recognize the importance of following rules and regulations established by the University of Illinois and/or the Climbing Club, and agree to obey such instructions. I acknowledge that I am in good physical condition and do not know of any condition or reason that I should not be able to participate in rock climbing, mountaineering, and associated activities or any other activity organized by or including any members of the Climbing Club or using equipment available through the Climbing Club. I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, assume full responsibility for my participation. I recognize and acknowledge that the Climbing Club at UIUC, as a registered organization of the University of Illinois at Urbana-Champaign, does NOT carry special health insurance, other than such medical and/or hospital services as are normally provided for students of the University of Illinois by the Student Health center, that would provide such special insurance coverage for me in the event I should sustain an accidental injury while participation in rock climbing, mountaineering, and associated activities or any other activity organized by or including any members of the Climbing Club or using equipment available through the Climbing Club. I understand that I am solely responsible for assessing whether my skills, equipment, and level of physical and mental fitness are adequate for participation and membership in the Climbing Club or using equipment available through the Climbing Club. I represent that I have full knowledge of the skills, equipment and level of physical and mental fitness necessary for participation and membership in the Climbing Club and that I meet or exceed these requirements. I understand that participation and membership in the Climbing Club involves activities in rugged terrain in all extremes of weather, and I may be very far removed from any professional or medical services. I understand that rescues may take more than 24 hours and all medical and rescue costs are my responsibility. I understand the importance of obtaining sufficient medical and accident insurance before participation in the climbing club. I understand the risks involved in this activity and I am voluntarily participating in rock climbing, mountaineering, and associated activities or any other activity organized by or associated with participating in the Climbing Club or using equipment available through the Climbing Club. By my signature below, I hereby recognize and assume all risks associated with participating in the Climbing Club including, but not limited to, rock climbing, mountaineering, and associated activities or any other activity organized by or including any members of the Climbing Club or using equipment available through the Climbing Club and agree to hold the University of Illinois, its employees, agents, representatives and volunteers, the Climbing Club, its officers, officials, members, and participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used to conduct a Climbing Club activity harmless from any and all obligations, liabilities, claims, demands, costs, and expenses, including attorney's fees, or demands of any kind and nature whatsoever which may arise by or in connection with my participation in any activities related to advertisers, and, if applicable, owners and lessors of premises used to conduct a Climbing Club activity may incur as a consequence of any legal action arising out of injury to myself or injury to someone else as a result of my conduct. I state that I am currently covered by medical insurance for any injuries that may occur to me while participating in the Climbing Club activities. I understand that the Climbing Club, its officers, officials, members, and participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used to conduct a Climbing Club activity make no assurances of the accuracy or safety of any equipment, instruction, advice or facilities provided by parties including, but not limited to, the Climbing Club, its officers officials, members, participants, and individuals or institutions encountered through Climbing Club activities and events. I further state that I understand and fulfill all requirements of the University of Illinois for participation in a registered organization. The terms hereof serve forever as a release and assumption of risk for my heirs, estate, executor, administrator, assignees, and for all members of my family. In signing this Release, I acknowledge and represent that I have read it, understand it, and sign it voluntarily as my own free act and deed; no oral representations, statements or inducements, apart from this Release have been made.
